(Please circle which nights you will be staying)

******Real CO is proud to announce a special additional recruiting opportunity for you as National Soccer Combine will be hosting 2 Combines prior to the start of the CO Showcase Division. These combines bring the tournament's top unsigned talent together to help you recruit the tournament. The Combines contain athletic and skill assessment for players. There will be short, controlled scrimmage games (6v6) to allow you to evaluate players. There will also be goalkeeper specific skills assessments for evaluating that position. To RSVP for the combine packet and for more information go to: nationalsoccercombine.com. For questions or to discuss, please email Jerry Howard at jhoward@biokats.com.**

Thanks for helping us make your experience better by providing this information and registering online with the gotsoccer.com, too!
