

**Spectator Statement: (Where Applicable)**

Maintaining a safe environment for kids to play soccer is our utmost priority. We respectfully ask all parents to comply with State and local health department (where applicable) orders requiring the use of face coverings in outdoor settings when social distancing of 6 feet cannot be maintained. While we want parents and families to enjoy the sport of soccer with their players, spectator access may be restricted by Real Colorado and/or authorities to ensure the safety of all our players and their families. We do ask spectators to respect the guidelines set forth by the Club which will help increase the chance of our children staying on the fields throughout the remainder of the season and beyond. We will attempt to seek voluntary compliance for proper spectator requirements, however, this request may be enforced by more punitive means if necessary. Unwillingness to comply could result in actions such as the removal of a player from training or game, or if necessary, cancellation and/or forfeiture of a practice, game, or event.
