

## IMPORTANT UNIFORM INFORMATION

The NEW REAL CO NIKE Kit out for the Fall19/SP20 season.

### **Soccer STOP's ordering process!**

All competitive uniform orders will be placed by each player/parent as an individual order. The First Touch ordering site has the option of having the player order sent directly to his/her home address or picking up the order at one of their retail locations. *The team manager's only role in this process will be to manage and/or assign the jersey numbers. This must be done before the player can place their uniform order.*

**IMPORTANT – see below, the Real CO Jersey Numbering System**

**All Uniform fittings (including new U11's) will be at the  
Highlands Ranch Soccer Stop, 8130 S. University Blvd**

Players should plan on dropping in during one of these times. At the end of each individual fitting, the parent/player will receive a sizing form which will assist them in placing their online order.

*PLEASE NOTE - To help expedite the sizing process, players should arrive in shorts and t-shirt and will try on the uniforms over their clothes. Parent and player ONLY, please*

#### Tuesday, June 4 (GIRLS)

Customer Call Center – 8:30 AM to 5 PM

Email Questions re: First Touch orders – [firsttouch@soccerstop.com](mailto:firsttouch@soccerstop.com)

**General Uniform Information:**

- a. Current Uniform Kit – this season is the 2nd year of current uniform, however, the jersey’s are no longer available. For this reason, we suggest that the teams entering into their second year, purchase just the jersey’s. The current kit colors (shorts & socks) are the same as the new kit (with slight design differences). Another great advantage – you will be in on the start of the 2 year cycle.
- b. New Nike Uniform Kit is available for the Fall19 season.
- c. Uniform is ordered individually, online. Must have jersey number assignment from team, before ordering. <http://firsttouch.soccerstop.com/>
- d. Uniform numbers are assigned by the manager/coach and will be within team numbering sequence (see below)
- e. Used Uniforms – if your team has any current unis for sale or to donate, we would really appreciate knowing about it – e-mail [ddeemel@realcolorado.net](mailto:ddeemel@realcolorado.net) with details. We only pass along this information to interested families.
- f. Regardless of whether a team purchases undergarments, every player must be in the same color under clothing so they are uniform as a team. No logos other than Nike may be on a Real sideline.
- g. NEW THIS YEAR - The training kit jersey is ONLY available in RED. Everyone should be in RED tops (training, warm-ups, etc). GO REAL RED!

\*If a team does not have a full-time GK, it is recommended that the team purchase the GK kit for game use.

**Real CO Jersey Numbering System**

DA – 1-25	Silver – 81-99
National/ECNL – 26-45	Bronze – 21-40
Olympico – 1-20	Gold – 61-80
