

Street Soccer

GENERAL EXPECTATIONS:

- Players will be required to bring their own water and snacks.
- **Player families will be instructed it is mandatory to take child's temperature prior to leaving for training every day.** Any player with a temperature higher than 100.3 degrees Fahrenheit should not be brought to camp, training or games and should not return until they have gone three days without
- No one is allowed to attend camp, training and games if NOT feeling well, has a fever higher than 100.3, or is currently under a quarantine. If exhibiting any symptoms of Covid-19, including mild to severe respiratory illness with fever, cough and difficulty breathing, or other symptoms identified by the CDC, players should not be permitted to practice.
 - Athletes, coaches or staff who screen positive must stay at home and should contact their healthcare provider for medical advice and guidance on returning to work/sport.
 - Coaches and staff should ask participants as they arrive if they feel ill in any way and did they have their temperature taken prior to arrival
- All coaches and staff will be instructed to maintain social distancing throughout the camp, training or game from players and other staff.
- Players and coaches should bring their own sanitizer to the event and will be expected to utilize it throughout. Players cannot share sanitizer.
- Zero tolerance contact policy (coach/player or player/player). Players and coaches must avoid "high fives", handshakes and minimize touching
- Make best attempts to maintain social distancing when arriving and leaving the event.
- All athletes, coaches and staff [should follow public health guidelines](#) for reducing risk of infection.
- If you have attended a training session and have a positive screen related to COVID-19 symptoms, please contact the club COVID-19 safety officer for tracing and prompt communication to those potentially exposed parties.
- Attendance record of all players, staff and coaches attending the session must be recorded for the event.

Street Soccer specifics

- All players should wait in their vehicles until the current team's game is over, players have gathered up their equipment and have begun leaving the facility.
- There will be NO warmup on the turf. Players and coaches will set up and play immediately.
- Coaches and players there will be a sanitation station on the turf for you to use.
- Coaches should sanitize any benches and equipment that could be used by the next teams
- Coaches should release teams immediately after the games. "Coach talks" can be reserved for virtual group meetings or a later training session away from the playing field.
- Spectators
 - Option 1
 - May be in groups of 2 or less if from the same household,
 - Must maintain a distance of 6 feet from anyone outside of the family,
 - No spectator is allowed to attend games if NOT feeling well, has a fever higher than 100.3, is currently under a quarantine, or is exhibiting any symptoms of Covid-19, including mild to severe respiratory illness with fever, cough and difficulty breathing, or other symptoms identified by the CDC.
 - Spectators/players/coaches will only enter through the middle of the park and exit through the outsides of the fenced areas.

- Spectators will only be allowed to sit on the grass areas no on the turf to help social distancing.
- Officials must record their attendance at the game for tracing and prompt communication
- Players who are not in the game should be encouraged to stay 6 feet a part.

As is with the state of this current pandemic and COVID-19 constant evolving situation, we will adhere to local/state/national CDC guidelines and all things above can be subject to change or addendum at a later date. This document reflects recommended practices and serves as a general informational resource for Real Colorado members and should not be considered as medical or expert advice. Recommendations are designed to promote hygienic practices to better protect participants in any activity. Clubs may implement or rely on the information at their own risk. Real Colorado emphasizes that it is incumbent of all club staff and members to consult the most up-to-date recommendations of federal, state, and local public health officials on a regular basis.

Consult your own qualified health providers or other advisors about any specific issues or circumstances you might have
