

I. Research

- a. College Program Websites
 1. Depth of roster
 2. Level of current players
 3. Tradition / History of success
 4. Transfer Rate – (freshman class always very big)
 5. Coaching staff
 6. Conference

- b. Style of Play
 1. Visit the school and watch a game live
 2. Stream games online
 3. Talk to coaches / players about how they describe system & style

- c. Team culture
 1. Official visit
 2. Ask current player(s) thoughts on program
 3. Ask coaches what they do to facilitate healthy team culture

II. What do you want out of your college career – what are the priorities for you?

- a. Playing time
- b. Social Experience
- c. Scholarship
- d. Compete for championships
- e. Platform to play @ higher level

III. Contact Coaches

- a. Inform them when and where you are playing / jersey #
- b. Email updates on attending camp / clinic / your interest in learning more about the program when NCAA rules allow
- c. Collect highlight clips and build a video to send to coaches
- d. Be upfront with schools you are not interested in that reach out to you.
