Reason for Change:

We are changing the CO Showcase portion from a competition to showcase-style with no championship round due to CHSAA's HS girls spring soccer league overlapping with the Real Cup. This is so HS coaches will allow players to play in the CO Showcase for recruiting purposes, rather than forcing them to choose playing HS over showcasing. We will limit CO HS girls teams to playing 2 days as much as scheduling will allow during the Real Cup to minimize games and fatigue during their HS season.
