

Real CO Cup Medical Information:

Children's Hospital Colorado Sports Medicine Center is proud to be the official medical provider for the 2021 Real Colorado Cup. Due to the COVID-19 pandemic, there may be changes to medical tent set-up and services for this year's event. We ask for your patience and cooperation as we all work together to ensure the success of this event while promoting the safety of athletes, spectators, and event staff.

Please review the following medical tent guidelines, which are subject to change and may be updated per public health orders or Children's Hospital Colorado policies.

- *Masks are REQUIRED by all parties when interacting with any of our medical staff. These will not be supplied by our team, so come prepared with a well-fitting mask in the event you need our services.*
- *Social distancing between parties must be respected in the medical tent area. No more than 1 person may accompany an athlete into the medical tent area.*
- *Certain medical tent services may be adjusted to promote safety and distancing and extra time may be needed to allow for appropriate distancing and cleaning.*

Thank you for your cooperation!
