

All teams requiring a hotel stay must make their reservations through THS, Real CO Cup Hotel Partner. We have over 50 hotels with great team amenities and in many locations for our 5 tournament sites.

Our field venues are **planned** to serve the following age groups. Unfortunately, we cannot give teams a guarantee in advance as to which field they will play prior to scheduling. It is possible that teams could be playing at multiple sites.

If coaches have more than one team playing in the Real Cup, they should be prepared to be driving between sites for their different teams. We take travel time into consideration for coaches when scheduling.
